

# ELECTRONIC CASE FILES SYSTEM USER'S GUIDE

## Getting Started

### Introduction

This manual provides instructions on how to use the Electronic Filing System to file documents with the Bankruptcy Court, or to view and retrieve docket sheets and documents for all cases assigned to this system. It assumes a working knowledge of FireFox, Internet Explorer and Adobe Acrobat.

### Help Desk

Telephone the Court's **Help Desk** at 502-627-5700 between the hours 8:30 A.M. and 4:30 P.M., Monday through Friday, if you need assistance.

### Court's Website:

To access information, materials relating to CM/ECF, the Training database, and Live database log on to the Court's website at:  
[www.kywb.uscourts.gov](http://www.kywb.uscourts.gov)

## Capabilities of the System

The electronic filing system allows registered participants with Internet access, FireFox and Internet Explorer to perform the following functions:

- ▶ Access the Court's Web page
- ▶ Download the most recent version of the User's Guide
- ▶ Access the training system comparable to the official "Live" system to acquaint yourself with how the system operates.
- ▶ Electronically file pleadings and documents in actual "Live" cases
- ▶ View official docket sheets and documents associated with cases.
- ▶ View various reports.

## Requirements

### Hardware and Software Requirements

The hardware and software needed to electronically file, view and retrieve electronic case documents are the following:

- ▶ A personal computer running a standard Operating System.
- ▶ An Internet connection using either a cable modem or digital subscriber line (DSL). Although a dial-up connection is technically adequate, it will be frustratingly slow for any filing party, other than the occasional user of the ECF system
- ▶ An Internet Browser. CM/ECF has been tested successfully using Internet Explorer 7 and 8 and FireFox 3.5. Your web browser must have 128-bit encryption and JavaScript enabled.
- ▶ Adobe Acrobat for converting documents from a word processor or other software to portable document format (PDF)
- ▶ Adobe Acrobat Reader to view, print and download documents from the Court's electronic case file. The Adobe Acrobat Reader is available as a free download at [www.adobe.com](http://www.adobe.com)
- ▶ A scanner - if paper documents need to be imaged and transmitted to the Court.
- ▶ An E-mail account. ECF notices will be sent to your E-mail account.

## PACER

All users require a valid PACER login and password. PACER login permits access to all nationally supported systems. See <http://pacer.psc.uscourts.gov> for a complete list. Other information:

- ▶ PACER login can be permanently linked to CM/ECF login, so that it does not have to be re-entered
- ▶ PACER users can log in at one court and access another without having to log in again
- ▶ Hyperlink to filed document provided to parties receiving a notice of filing. Access to the linked document is **FREE** the first time it is accessed for users receiving electronic notices. All users should be advised to print or save the document to a local computer in order to avoid future charges.
- ▶ The CM/ECF application links the filing account with an appropriate PACER account for billing purposes.

## How to Register for Access

Participants must complete a registration form. The form is available from the Court's web page, <http://www.kywb.uscourts.gov/fpweb/cmecf.htm> or contact the Court at:

- ▶ **Help Desk** **502-627-5700**
- or
- ▶ Susan Craven, Project Manager **502-627-5714**

A training version of the system is provided on the Internet at <http://ecf-train.kywb.uscourts.gov> for practice purposes. It is strongly recommended that participants take advantage of filing documents in the training database before filing a document in the "Live" data base.

**NOTE: A different set of logins and passwords are issued for the "Training" and "Live" systems.**

## Troubleshooting

### Cannot login to the System

If you are using FireFox or Internet Explorer, and your password and login have both been correctly typed, and you still cannot login to the system, please call the Court's **Help Desk** at 502-627-5700.

To ensure the documents transmitted have arrived in their entirety, it is important to read the document after it is received by the Court. This can be done by viewing the docket sheet from the case and selecting the transmitted document. The number of the transmitted document appears on your electronic filing receipt.

### Experiencing a Problem with the System when Filing a Document

During normal business hours of 8:30 a.m. to 4:30 p.m., please contact the Help Desk at 502-627-5700. Please be advised, however, that the site is not supported 24 hours a day, and that when filing documents after normal business hours, support will not be available. When filing documents that must be filed on a certain day, it is our recommendation that you file these before 4:30 p.m.
