

Louisville Chapter 13 Changes

Beginning in July, the Louisville Chapter 13 cases will be split among the three judges. **Newly filed cases** will be randomly assigned using the ECF Automatic Judge/Trustee Assignment Program while **pending cases** will be divided as evenly as possible among the three. As we set cases for hearing in July, you may see some cases that look as if they are on the wrong judge's docket. Please know that we are aware to whom the cases will be assigned and will get them on the right dockets. Once the transfer happens, hopefully on July 1, the correct judge's name will be reflected on the docket sheet as well as the correct judge's initials reflected in the case number. All hearings will be held in the individual judge's courtroom except for show cause hearings which will continue to be held in Courtroom 3.
